Whatever you need to help your business grow, we have the experience

Horsfield & Smith have many years experience of dealing with the corporate finance needs of the small to medium sized business.

We can help you grow your business through acquisitive growth. This may include helping you with commercial & financial due diligence, funding the deal and handling all legal documentation.

Is cashflow causing you problems? We can make sure that you've got the right type of funding for your business.

If you are planning on selling your business or retiring in the next 5 years, you need to start talking to us now!

As corporate finance accountants, we can help you with all aspects of your finances, from accounts preparation, audit, VAT, tax planning, payroll, budgeting and cash flow to choosing the best computer systems to suit you. Simply call Jonathan Staples on 0161 761 5231 or email jonathans@horsfield-smith.co.uk and we will be happy to advise you on any aspect of your financial management.
